#### Directions In Music

In 2017 our Junior and Senior Band programs, as well as our String Ensemble will be run by an external organisation called Directions In Music. They will provide small group tutorials and whole group rehearsals for students.

In order to identify interested students, on Wednesday Directions In Music will be running a 30 minute expo of all instruments on offer. They will also provide notes to all students that can be returned if interested in joining the program in 2017.

#### Enrolment Confirmation Forms

We are still awaiting a few enrolment confirmation forms. If you haven't already done so, please complete the form and forward it to your child's class teacher no later than Monday. This information informs our staffing entitlement and class structure for 2017.

If you know of anyone who is hoping to enrol a child at Rainbow Street PS in 2017 and they haven't completed an enrolment application yet, please ask them to contact the Office ASAP.

#### Major Capital Works

The next Information Booth will be on Wednesday 16 November 2016 at 8.30am in the playground.

#### Social and Emotional Learning KidsMatter – Stage 3

As part of KidsMatter, students will be taking part in weekly

SEL lessons. Lessons for Stage 3 will be based on Building Relationships and Responsible Decision Making. There will be a focus on students identifying their strengths, feelings and emotions, building friendships, getting along with others, strategies for when there are friendship problems, effective decision making, respect and responsibility, being organised, setting SMART goals and being ethical. Quality literature texts will be used to teach these topics. We encourage you to talk to your child each week about what they have been learning so that you too can support them to make choices that will benefit their social and emotional health.

#### Music: Count Us In

Rainbow Street Public School students met in the hall on Monday 7 November to sing a song called "Let It Play" as part of the Music: Count Us In program. The song is about the joy that music brings to our lives. This program unites students from all over Australia. It is a fantastic way to bring music into the classroom. Well done Rainbow Street!

#### Recorder

Congratulations to the beginner recorder players who started learning this term. These fabulous new players have learnt 5 songs in 5 weeks! What a fantastic achievement! Keep up the good work!

# 5 Cent Challenge

The P&C are trialing a new fundraiser to help raise funds for our school.

**\*\* It's super easy and lots of fun \*\***

Start collecting as many 5 cent coins as you can find! Are they lying around at home, behind the couch, in the car, under the bed or even in your sock drawer? Each Friday for 4 weeks you can bring them to school in an envelope or small bag to donate to your class jar. The P&C will have a table near the canteen before and after school each Friday from the 18<sup>th</sup> November through to Friday 9<sup>th</sup> December with a jar labeled for each class. We will count jars each week to let you know which class is in the lead.

The winning class at the end of the month will get a prize for each student from Gelatissimo Coogee & AMART Sports Randwick.

**SMALL CHANGE** will help fund **BIG CHANGE** for our School.  
Many thanks in advance from the P&C

Our P & C meeting was held on Monday night. Thanks to those parents who were able to come along and thanks to Miss Sayers for the insight into the NAPLAN results for our school during Connect Time. Our next meeting will be in December and this will be our AGM to elect your parent representatives for next year. I hope to see you there.

Next Friday is the beginning of our 5 cent challenge. A flyer came home this week in your child's bag with more information. It will be interesting to see which class will take the early lead in this fundraiser! Thanks to Gelatissimo Coogee and AMART Sports Randwick for providing the winning prizes.

Unfortunately due to time restraints, other school events and the redevelopment we will not be having a disco at the end of this year. While this is a little disappointing for many, I know you can understand that we were not expected to have a hall at this time of the year due to the redevelopment and when we found out about the delays and thus still having a hall, the organisation for the disco and finding an available date was not possible. Perhaps the P & C of 2017 can look at the option to organise a disco early next year.
