Major Capital Works Update

Thank you to Emma Marshall for a great presentation last night. Emma outlined the theory behind the development of modern learning spaces and explained how they work in terms of teaching practice and pedagogy.

The next information booth will be on Wednesday morning.

Prize Draw

Last week was a focus on wearing our school uniform with pride. Congratulations to Sophie D, Neave and Katie B who won a bonus prize of a \$50 Lowes voucher to go along with the usual prize.

LMBR

Our school will be moving to the LMBR (Learning Management Business Reform) system in Term 4. The Office staff and Principal will undertake extensive training in Term 3, along with all other Primary schools in the area, prior to deployment in Term 4.

The LMBR program was conceived in 2006 in response to the challenges faced by schools, TAFE NSW and Department of Education Corporate, which were relying on a large number of ageing IT systems. These increasingly unsupported systems were becoming costly and inefficient to maintain and could not meet the needs of a changing educational landscape for our students, staff and the broader school community. Developing an integrated IT platform to overcome these challenges grew to encompass a broader long-term vision with students at its core. Modernising school systems across NSW allows for:

- a consistent way for all schools to manage financial and student data
- portability of wellbeing and learning data so each student's information follows them when they change schools
- improved collaboration between teachers, students and parents and carers around a student's learning continuum.

The new student management systems will enable consistent access to student learning, wellbeing and engagement records as a student moves schools throughout their public education. This provides greater visibility and personalisation of students'

learning plans, and enhances teamwork between teachers, parents and carers.

With all schools using a common system, staff will have transferable skills they can use at any school within the state – saving the cost of learning a new system for both the school and the individual should they wish to apply for a job in a new area.

Rainbow Awards

Year	Student
1	Phoebe

Thanks to Emma Marshall, Education Consultant, for an enlightening parent meeting last night talking about the learning spaces and experiences our children will be part of with the redevelopment.

Please check the lost property! It's a huge pile. Our mega clothing pool sale will be on soon and we will be selling anything without a name on it!

The Rainbow Street Art Show is approaching. Aside from the fabulous masterpieces the children are creating at school, the P & C is hoping to hold an auction at the evening event to raise money. Do you know someone who could donate a fabulous prize? Think big! The bigger and better the prizes to auction the more money we can raise. We have a letter from the school to endorse you asking for donations so let us know if you need one emailed to you or you can pick one up at the school office.

Have you ordered your Entertainment Book? (Digital editions available for up to 4 of your devices) These books are filled with discount vouchers and ordering can be done online. There is a book near the school office if you would like to have a look. 20% of your purchase will go towards the P & C fundraising efforts for the year. You can order using this link:
