Staff News

Mr Ian Loxton has submitted his retirement effective 5 September 2016. I would like to acknowledge Mr Loxton's contribution to both Rainbow Street Public School and public education during his career.

Miss Smith will remain in the temporary classroom teacher position until the end of the year. The permanent position will be filled following usual Department Of Education procedures.

Major Capital Works Update

We are still awaiting advice from Randwick Council in regards to the DA. The next school information booth will be held at 8.30am on Wednesday 21 September 2016.

IT plans for both the development and the temporary demountable setup have been drafted and an audit of what's in our rooms undertaken in preparation for the move to demountables at the end of the year.

Deadly Kids Awards

Congratulations to Archer Nicholas who has been nominated for a Deadly Kids Doing Well Award. The award is an acknowledgment of his effort and

achievement at school. The term 'deadly' in Aboriginal English means doing well, achieving and/or talented. Well done Archer.

Sport

Congratulations to Orlando who placed fifth in the Number Crunchers Final held at Connells Point PS. Well done Orlando!

Crayweed Project

For the past few weeks, the Year 4 students involved in the Crayweed Project have been learning about ecosystems and water quality in their joint project with other local schools.

This week they began making some costumes for the Sculpture By The Sea exhibition. Check them out!

Geography Syllabus

An overview of the Geography syllabus was presented at this week's P & C Connect Time. Parents were informed about the changes in the new syllabus, geographical inquiry, concepts and tools, and tried out an online learning object.

Consideration For Our Neighbours

Please park legally around the school and do not park over our neighbours' driveways. We recently received a complaint that one of our parents had parked over a driveway for 45 minutes preventing the residents' access! This is extremely inconsiderate, please be respectful of our neighbours and their properties.

Big Band Bash

Congratulations to our senior band students who performed in the Daceyville Band Big Bash on Wednesday last week! Luckily the rain held off and primary and high school bands of all levels, from all over Sydney, were able to perform to the delighted audience. They were also enchanted by the sounds of the Royal Australian Navy Band who played some familiar tunes and got the audience on their feet. Our band performed beautifully and was rewarded with a sea of delicious food, trinkets and activities. These dedicated students have been working hard all year to learn a brand new repertoire of songs, and have attended rehearsals both during lunch and before school. Fantastic effort and well done! A special thank you to Mr Davies for attending and being a dependable metronome!

Mrs Engles

Band Conductor

Cantabile Music Festival

Congratulations to the choir students who represented our school at the Cantabile Music Festival, held at the Opera House on Monday night last week. Our students combined with school choirs from many different schools to perform a complicated repertoire of songs finishing with a Matilda Medley! The students have worked hard all year to learn these 10 songs by heart and were rewarded with the applause of an appreciative audience in an iconic Australian landmark. A once-in-a-lifetime experience! Wonderful effort and well done!

Lunch time Recorder Concert

Tuesday September 13

All Rainbow Street students are invited to a special lunchtime recorder concert! Come along and hear the wonderful songs we played at the Opera House earlier this term.

If you want to hear some beautiful music please come to the hall on Tuesday 13 September at 1pm after eating time. All students from Year 2 to Year 6

are welcome to join the recorder group in Term 4.

Hope to see you there!

Thanks for coming to our P & C meeting on Monday night. We had good discussions and enjoyed an informative session about how Geography will be taught at RSPS from the beginning of next year. Thanks Ms Mayhew and fellow executive staff!

The P & C are looking at holding a 5c challenge fundraiser in Term 4. This involves students bringing their 'spare' 5c coins to school to deposit in a class piggy bank over a short period of time. A daily tally will be kept for each class and a prize given to the class which raises the most money in their piggy bank at the end of the fundraiser. The P & C will collect this money each morning to keep a running total to support friendly competition between classes for the prize!

Our next P & C meeting will be in November due to the upcoming school holidays. This will be our last meeting for the year before the Annual General Meeting in December. If you would like to become a financial member, please pay your \$2 before or at the November meeting or leave it in an envelope marked P & C at the school office. This membership will give you voting privileges to elect your P & C executive for 2017.

We are hoping that there will be another Redevelopment Information Booth at school just before the next holidays but will keep you posted with the exact date when we get it. In the meantime if you haven't already, take a look at the link below to keep you updated about the school redevelopment.
