What's Happening At Rainbow Street?

Trivia Night

A fun time was had by all at the P & C's Trivia Night last Saturday night. Thank you to everyone who came along. A big thank you to the P & C Executive and members who organised the event and Belinda who compered. Thank you also to Ronan and Sally Murray who wrote questions, checked answers and kept

score. Lots of work goes into such an event and the team's hard work is very much appreciated.

And let's not forget our special guest!

PS. The teachers finished a respectable 4th!

November

Well done to Mr Tzoukas, Mr Boersma, Mr Floyd, Mr Stevens, Mr Roche, Mr Roberts and Mr Richmond who had a target of \$1000 but raised \$3070 (as at 7:30am today) as part of the November Challenge, <https://moteam.co/rainbow-street>

We are very proud of you! Thank you to all those who supported the team.

Chess Results

Congratulations to the Year 6 chess team (Zarif, Diego and Edward) who came equal 4th in the Primary Schools One-Day Tournament (Eastern Suburbs area) held on Friday 23 November 2018. There were 31 teams so this is a great achievement! We've heard that they not only played well, but they were very sportsmanlike with the other teams and also helped the organisers set up for the tournament. Well done boys!

BYOD

A copy of the school's BYOD policy was sent home with those students whose parents were unable to attend the information session this week. The

policy is also available for download from the school's website.

BYOD will be in place for Stage 3 students from the beginning of 2019. If you have any questions please do not hesitate to contact us.

Year 4 High School Visit

It was lovely to receive the following text message from Mr Raskall, Principal of Randwick Boy's High School, following Year 4's visit last Tuesday:

Your students were outstanding today! They received the most accolades during the debrief with our Staff! Well done to you, the school and your staff!

Building Information

- A Block – Work continues on the external ramps and entries.
- B Block – Work continues on the screens and balustrades.
- Library – Internal fit out, façade cladding and windows and doors are being worked on.
- COLA – Work continues on the soffit works (eave lining).

Teachers had a preview of some of the new learning spaces yesterday.

We have begun the big tidy up ready for the Christmas holiday move. Please ensure that your child takes home all of their belongings when they are finishing up. Exciting times ahead!

For Additional Building Project Information And Updates

Attend one of the Community Information Sessions presented by Schools Infrastructure on Monday 10 December 2018 from 3pm to 4pm or 5pm to 7pm in the Hall.

Go to the Department of Education site for details of the project:

Year 4 High School Excursion

On Tuesday 27 November 2018 Year 4 boys and Year 4 girls went their separate ways to visit Randwick Boys' and Randwick Girls' High Schools respectively. Both excursions were led by vibrant teachers from the high schools who introduced the children to a variety of activities and subjects, and got them extremely excited for 2021 when they will head off to high school themselves.

The boys participated in sports activities, English, history, music and the highlight of the day, design & technology where they got to make their own key rings.

The girls participated in Japanese, gymnastics, science and, similarly to the boys, design and technology which was also a highlight as they made their own jewellery using paper.

All of the children represented Rainbow Street with pride, demonstrating their excellent manners and enthusiastic participation as they tried new things. Thank you to Ms Goldspink, Ms Hunt and Maddy for accompanying the children.

Trivia Night

We did it! Complete team effort, over several months, from the Executive members who coordinated our approaches to the wonderful donors in the community, collecting the prizes, folding the napkins, MC'ing at short notice, writing the questions ... also the amazing dads and mums lifting and stacking the tables before leaving. A wonderful example of Unity. Satisfying to see an idea come to fruition.

AGM/December General Meeting

Next Monday, 6pm to 8pm. All Executive positions are declared vacant. If multiple candidates for any position, a ballot will be used. New Executive team takes over immediately and chairs December meeting (the last General Meeting of 2018). If your P & C membership is not up to date as of last month, you're still welcome to come along, but are not eligible to vote. As stated before, for free childcare aged three and above, you have until the end of today to contact Tanya at TRAC: bookings@tracrandwick.com.au

See you at school.
