What's Happening At Rainbow Street?

Metropolitan South Operational Directorate Principals Network Award

It was an honour to present Sally Notaras with a Metropolitan South Operational Directorate Principals Network Award at the P & C Meeting on Monday night. Below is Sally's citation. I am sure you will agree that she is a most deserving recipient.

Sally is an outstanding member of the school community whose commitment to Rainbow Street is to be commended. She works tirelessly to support the development of the school and build a cohesive team. She epitomises what partners in education means.

Sally is an actively involved member of the school community and a model of the school's core values – caring, learning and effort.

Sally has engaged with, coordinated and supported numerous school events – Art Shows, concerts, carnivals, Library Fridays and Multicultural Days. She has organised numerous car boot sales to raise funds to support the strategic directions of the school and enhance the learning environment of the students. In her roles as President and member of the Executive on the P & C, Sally has skilfully led the team, built strong partnerships with school staff and worked tirelessly for our school. She has mentored new executive and developed guidelines and procedures to support succession planning.

Sally has participated in numerous merit selection panels ensuring excellent staff join the school community.

Over the last three and a half years Sally has been a member of the Project Reference Group for our school's major capital works project. Sally's input has been invaluable, ensuring not only that parents have a voice on this panel but the best possible outcome for the school community is achieved.

Sally is an invaluable member of our school community.

Congratulations Sally!
