What's Happening At Rainbow Street?

Thank You

Earlier this week the P&C donated some of the Movie Night Lego to the Sydney Children's Hospital. A big thank you was received!

Appreciation Breakfast

We would like to say thank you to all of our 'helpers' who have assisted this year in classrooms and at events. We appreciate the time that you give us to ensure the best for our students. We will be holding an Appreciation Breakfast on Thursday 12 December 2019 at 8:15am in the Library. Hope to see you there. Please RSVP by calling the Office.

Evacuation Drill

We held an evacuation drill earlier this week. Does your child know how to evacuate at home should the need arise? Have you had a practice recently?

Enrolment Confirmation Forms

We are down to the final few Enrolment Confirmation forms now. The return of these forms assists us with planning for next year. It is vital that we know numbers so that we can plan school staffing and class structures. Thank you to those who have already returned their forms.

November

In support of the Movember Foundation, staff at Rainbow Street Public School will again be raising money for men’s health. The Movember Foundation are currently tackling some of the most significant health issues faced by men such as prostate cancer, testicular cancer, mental health and suicide prevention. Some staff will be growing moustaches whilst others will participating in the Move for Movember initiative. If you would like to donate, go the Movember website <https://au.movember.com/>, click donate and search for Rainbow Street.

Mr Roberts

Kindergarten Hospital Visit

Kindergarten had a great morning visiting Prince of Wales Hospital on Thursday to assist with the training of new doctors.

In a partnership with the University of New South Wales our students had the opportunity to learn about how simple examinations take place as well as get hands on with some of the medical equipment. Our visit also provided practical experience for medical students undertaking a paediatric unit as part of their medical degree.

A lot of fun was had by all and our morning was capped off with some games and dancing with the help of Captain Starlight (but please don’t tell the hospital boss that their rocket is parked on the roof of the hospital!)

A big thank you our parent helpers, Gina and Nathan, who helped us walk safely to and from the hospital.

School Swimming Scheme Reminder

A reminder to ensure that parents of students in Years 2-6 interested in participating in swim scheme have returned their permission note with full payment. The closing date for swim scheme is Friday 29 November 2019. There are limited places in this program, therefore once the numbers are filled, we cannot offer more places. Please return your permission note and payment as soon as possible if you are interested in your child participating in this valuable program.

Merit Selection Panel

Thank you to the four parents who put their hands up, volunteering to help choose a new staff member for our Support Unit. As I found out last year at their

Orientation, we have an amazing, supportive and tight group of parents, staff and children who put the *support* in Support Unit. Out of the four parents making themselves available at short notice, we could only elect two: one representing the community from a non-English speaking background, the other as a parent representative. By the time this is read, the Panel would have already met. Thank you Nathan and Sally.

Traffic Outside School

As a P&C, we can add our voice to ensuring our children's safety on the roads directly near our school. To this effect I'm co-writing submissions with fellow parents re excessive speed and solutions for Rainbow Street itself, as well as for a Kiss and Drop space on the new proposed road that is part of the Newmarket development neighbouring our school.

AGM Coming ... Soon

The beginning of next month, our P&C Association will reflect on the year we've had, and prepare for 2020. All Executive positions will be rendered vacant, all memberships will need to be renewed. I'm looking forward to parents taking their commitment to another level. Craig and I will mail out more instructions, information in the coming weeks.

See you at School,
Greg./

CBD and South East Light Rail
Randwick, Kensington and Kingsford
Light Rail Community and Business Forum

In planning for Tomorrow's Sydney, we are building a new light rail line to provide modern, reliable and sustainable public transport that will transform services from Circular Quay and the CBD, to Kingsford and Randwick via Surry Hills, Moore Park and Kensington.

On Tuesday 12 November 2019, ALTRAC Light Rail will hold a Community and Business Forum at the Kensington Park Community Centre, Hall 2.

Local residents and businesses will have the opportunity to meet key members of the ALTRAC Light Rail project team to discuss light rail construction and tram testing and commissioning in Randwick, Kensington and Kingsford. Light rail services to Randwick are planned to commence in December, with tram testing now underway in Kensington and Kingsford.

IS YOUR CHILD USING A HANDHELD DEVICE ?

This research will involve a two-part online survey that is expected to be completed in 2019 and in 2020. Each survey will take approximately 30 minutes.

Screen time is a popular pastime activity in children today. We are interested in exploring the effects of parental wellbeing and handheld devices (e.g. iPads, tablets, mobile phones) on development.

If your child is born between 30/10/2013 to 28/02/2015 and engages in handheld device use, we would like to hear from you!

YOU WILL GO INTO THE DRAW TO WIN 1 OF 4 \$100 COLES/MYER GIFT CARDS!!!
