### What's Happening At Rainbow Street?

#### *COVID-19 Procedures Update*

Thank you so much everyone for a great effort on the first day of revised pick up procedures. It is not always easy to implement change at short notice but a great job was done by all!

As you would be aware In accordance with advice from NSW Health, parents and carers are reminded **NOT** to send children to school if they are unwell, even if they have the mildest flu-like symptoms. Students who present as unwell or have flu like symptoms will be sent home.

Students and staff with flu like symptoms now need to provide a copy of a negative COVID-19 test result before being permitted to return to school. We have been advised that as results often come through SMS a screenshot of the result can be emailed to the school.

#### *School Drop Off*

Students attending TASK can be dropped off at the gate from 7am. TASK staff will add the students to their roll and admit the students to the school grounds. All other students should continue to arrive from 8:30am when staff are on duty.

#### *Learner Qualities*

It has been fabulous to see so many instances of students demonstrating 'confidence' in themselves and their abilities.

Classes have been engaging in discussions about 'confidence'. Below are some of the discussion prompts. Perhaps you would like to chat with your child/children about the questions below:

- What are you confident in?
- What helps you to feel confident?
- How does being confident help you to try new things?
- Is there a time when you didn't feel confident? How did you overcome it?

For older kids:

- What are your personal strengths and how do you use them?
- What is resilience and how does it relate to confidence?

#### *School Stream*

Missed some important information? To make sure you are 'in the know' and receive updates and messages to your phone, ensure you have downloaded the School Stream app.

#### *How To Get The School Stream App On Your Mobile Device*
