This week we continue to focus on collaboration.

## Collaboration

**Collaboration is working together as a team.**

**That means that I share, contribute and listen when working with others.**

At home, one of the ways in which you could build collaboration is by doing problem solving tasks or challenges with your child. You might also talk with

Teddy Bear Race - Who will come first, second, third...?

### Online Enrolment System

We are excited to announce we will be rolling out the new Online Enrolment System from Monday 14 September 2020.

The Online Enrolment System is designed to provide flexibility for parents to submit an enrolment application online and at the time that best suits them. The application can be accessed on all browsers and mobile devices including iOS and Android.

The online application process is currently restricted to:

- Enrolments into **local** schools only
- Children who are Australian citizens, New Zealand citizens or permanent residents
- Children who live in NSW.

We offer our support and encourage you to complete your application to enrol online. If, however, you do not feel comfortable completing an application online, a paper copy is available for collection from the front office or can be downloaded from the Department's [going to a public school site](#)

Further information about online enrolment can be found on our website [here](#)

PLEASE NOTE: Those families who have already submitted an application for Kindergarten 2021 enrolment DO NOT need to resubmit their enrolment online.

### Kindergarten 2021 Orientation And Transition

Due to COVID-19 restrictions Kindergarten orientation and transition activities remain on hold. Miss Sayers and Mr Stevens are currently working on modifications to the program to enable home↔school communication to support students starting school next year.

This Term, our school will be participating in the *Partners in Learning* parent survey, another part of the *Tell Them From Me* suite of surveys (student, teacher and parent surveys) on student engagement. The survey asks parents and carers questions about different factors that are known to impact on student wellbeing and engagement.

Running this survey will help our school understand parents' and carers' perspectives on their child's experience at school. These include: communication

between parents/carers and staff, activities and practices at home and parent/carer views on the school's support of learning and behaviour. This valuable feedback will help our school make practical improvements.

The survey is conducted entirely online on smartphones, iPads, tablets, laptops or computers. The survey will typically take 15 minutes or less to complete and is completely confidential. The parent survey will be conducted over Term 3 and early Term 4. Although participating in the survey is entirely voluntary, your responses are very much appreciated.

More information about the survey is available at: <http://surveys.cese.nsw.gov.au>.

To access the survey for our school go to: <http://nsw.tellthemfromme.com/rsps2020>

The survey is available in 23 languages. The survey will close at 4pm on Friday 23 October 2020.

Hi everyone,

We have no P&C meeting in September. This is because we are still working through some of the items agreed in the last P&C meeting and there is no significant business arising for voting at this stage.

### COVID-19

We'd like to take the time to thank the school, staff, parents and students for their continued efforts to address this.

It has been noticed however that there have been some fairly large gatherings in surrounding parks and playgrounds, so we urge everyone to continue to maintain social distancing, i.e. 1.5m and/or masks. If you have any queries or concerns, please don't hesitate to ask via email.

**rebel** For any members of Rebel Sports, please consider linking your membership to the Rainbow St Public School account, in store, which doesn't affect your membership, but gives us credits to spend on sporting goods for the school and students.

Please continue to keep safe.

Many thanks,  
Jimmy Hayes  
President
