The theme of this year's Reconciliation Week is *Bridging Now To Next*.

The design and artwork reflects the ongoing connection between past, present and future. *Bridging Now to Next* urges us to look ahead and continue to push forward, allowing lessons of the past to guide us. The beautiful artwork by Kalkadoon woman Bree Buttenshaw shows that now is a time for growth, reflection, and commitment to walking together.

What's Been Happening In Stage 2 This Week?

This week Stage 2 have been busy learning about patterns in mathematics. You will have noticed that some of our homework sheets have asked students to recognise patterns in the environment. Students have also been busy creating wonderful artworks that relate to our science unit about the sun and the moon. These look absolutely beautiful when displayed against the windows.

NSW Public School Student Survey

In Term 2, we are offering our students the opportunity to participate in the NSW Public Schools Student Survey. The survey gives students the chance to share their thoughts and feelings about life at school, including questions about their engagement, learning experiences and wellbeing at school.

Hearing directly from our students will help us understand what's working well and where improvements can be made to our school. The survey is confidential, takes around 10 to 15 minutes to

complete, and will be conducted online during school hours.

Participation is voluntary. If you prefer your child not to participate, please complete the opt-out consent form, which has already been sent home, and return it to the school. Further information about the survey is available at <https://education.nsw.gov.au/npss>

AFL -Auskick

On Tuesday 27 and Wednesday 28 May, trainers from the AFL will be visiting our school to run skills sessions with our students. Classes will be timetabled throughout the day to learn about the game of AFL and develop skills such as kicking and passing. Students can also sign up to the AusKick and SuperKick programs that will be run after school each Wednesday, from 11 June to 4 July 2025. More information is provided in the Community News section of the newsletter or by visiting the links below.

P&C Rambler Update – Term 2 Week 4

We hope you have had a great week and the school photos went well. There are a few things to mention that we have coming up in the next few weeks.

Firstly we have another P&C social get together at 'The Avenue' at Randwick bowling club on **30th May at 5-7.30pm**. It is a kid friendly event and is open to any Rainbow Street parents/ carers as an opportunity to catch up with other families. (This is not a P&C funded event- people are welcome to buy their own food and drinks- the meals are pretty good!) Feel free to just turn up or see the WhatsApp announcement if you would like to confirm your attendance. At the moment we have tables reserved inside but if weather permits, we can always move outside!

As the nights are getting colder and darker earlier, our next P&C meeting will be held online from **6-7pm on the 2nd June**. We would love you to login and join us. More information will be provided nearer to the time. There will also be a **second hand uniform sale on the 4th June** in case you need to grab any extra jumpers or winter clothes. It will be under the **COLA at 8.30am** and everything is \$5. If you have any old uniform that no longer fits, we would love you to donate it to us. These donations can be handed to the office anytime.

Finally, there is limited stock of the wonderful tea towels created by your children, so if you would like to buy one you still can!

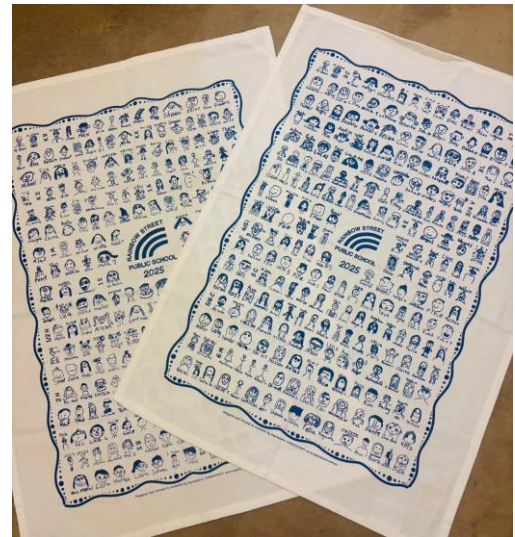

All that's left to say is have a wonderful weekend!
